Dear Ms. Zayas,

We must have your documents prior to taking any payment.

If you submit your forms via this email, please indicate what number to reach you at for payment by credit card. Do not provide the credit card information in the email.

If you are going to mail in your forms or deliver them to the courthouse (we have a drop box in the lobby), you can attach a check or money order to your documents. (Make the check or money order out to Clerk, US District Court).

Per your email, you will submit a different complaint than the one attached so I will disregard the prior email and complaint. We will wait to receive all your documents.

Thank you,

Deputy Clerk/ Intake  
Seattle

I was told to send in the paperwork prior to filing in person and get an ok first. I have 20 years of documents with CPS that will not be available for a few months but the evidence I have in this case is recent and I do have all of it. This is a case that is active right now and is out of family court in Kent case 20-7-00666-0 I am pro se.
